**The Orlando Scottish Rite Vehicle Display Event  
"The Road to Victory Event"  
Saturday March 27th and Sunday March 28th, 2010  
Winter Park, Florida**

## WORLD WAR II COMES TO WINTER PARK FLORIDA!!!

As it is, the purpose of the **Orlando Scottish Rite** to assist our surrounding communities with charity and local notoriety and to provide a venue where members of non-profit organizations and groups who are interested in publicizing their organization can enjoy a weekend filled with patriotism, historical significance and brotherly fellowship with other members of the human family. This proposed event is themed with all past and present military vehicles that were used during military conflict. The Orlando Scottish Rite, located at 1485 Grand Road, Winter Park Florida. The cross streets are Dike Road and Howell branch Road.

### **Who's involved:**

This event will host several groups that will greatly aid in their publicity. The Central Florida World War II Museum will be providing battle reenactments for the guests as well as setting up camps, American and German, to provide a living history section of this event.

We will have weapons fire demonstrations with several fly over's of military aircraft.

Active Duty military vehicles will be displayed during this event with their military personnel to answer any question that our guests have. Vintage Military vehicles will be displayed during this two day event.

Local emergency vehicles will be available for display including fire, police, and S.W.A.T. Military Relic vendors will be present as well.

Concessions will be available.

Other organization will be participating such as the Veterans of Foreign Wars, USO, American Legion, Military recruiters, Demolay for Boys, the Boy Scouts, The Girl Scouts, Shrine, the Masonic Child Identification program and many more who sees this for an opportunity for community support and involvement.

We will be hosting a USO themed gathering on the evening of Saturday March 27th, 2010. It is a great opportunity to come together and meet other like-minded individuals that share in similar concerns. It is the Scottish Rite of Orlando's way in thanking those who participated during this event. This will be free of charge to those organizations that participate.

Set up will begin on Friday March 26th with all displays being set before the **gates open at 10:00 am Saturday morning**. There will be a **charge for parking for our guests for the amount of \$5.00** however there will be no charge for those organizations who are participating in this event. All monies from the parking will be going to charity.

Conclusion: It is our belief that when organizations with similar purposes can come together, the community and more especially the children of the community have a better understanding in the freedoms that we have but more specifically, the high costs to continue to have these freedoms. Our history is slowly dropping by the way side and these types of events will teach others about our lives.
