From the Master of Kadosh:

Dear Brothers:

We are looking forward to a successful and prosperous year. Fortunately you have elected a group of men who are offering some new and innovative ideas to spur attendance and increase our membership. Unfortunately some of our members are in arrears on their dues. We need all of them.

Our Valley offers fellowship, superlative dining experiences and entertainment which make our monthly meetings a delightful experience. We have enjoyed decorating innovations and food selection to please the most discerning for the past year. Our December dinner and especially our 50th anniversary party were events never to be forgotten. Our monthly meetings when combined with the Scottish Rite fellowship gives adequate initiative to encourage attendance even more for 2006. It is obvious that it takes many hands to produce these wonderful results.

Brothers, if you like what is going on here, tell your non-Scottish Rite Masonic Brothers, maybe we can get some new members. One of our major goals has to be for each one of us to give a Brother Mason a petition for the Scottish Rite. Just think how our Valley could grow if we each got one new member this year.

Congratulations to our new KCCH and Honorary 33rd degree Masonic Brothers.

Fraternally,
Charles E. Frost, 32° KCCH
Master of Kadosh

The Future is Now!

2006 Spring Reunion March 18 & 19

Now is the time to be working on your prospect list of the Brothers who are not a Master of the Royal Secret. Let's start 2006 off with another outstanding reunion. Don't let another reunion go by without asking a Brother to join you as a Scottish Rite Mason. The Spring Reunion has been set for March 18 and 19, 2006, the Fall Reunion has been set for October 21 and 22, 2006.

I would like to thank all the Scottish Rite Masons who helped make the year 2005 a huge success for the KCCH. Thanks go especially to Ill. Keith W. Albright, 33° for the programs he has put in place such as the Knight of the Double Eagle award, the Lodge visitation program, and the Knights of St. Andrew. All have made an impact on many Masons and non-masons alike. I would be amiss if I failed to mention our Commander Worthy Brother George R. Van Pelt, 32° KCCH for his leadership during this past year.

As we start the New Year 2006, I would ask the KCCH and all Scottish Rite Brothers to remember our obligation to membership, The Scottish Rite Foundation, and the Valley of Orlando. By doing this we will have a super year. I would like your ideas, suggestions and your help this year. May we all be of one accord.

Fraternally,
Cary Ray, 32° KCCH
Commander

How do you identify Language Disorders and Associated Learning Disabilities? Children who have these problems are sometimes hard to detect. There is a wide age range for children to begin talking. Parents may become concerned later than desirable, may not recognize, or may misinterpret the symptoms. These children are often slow in developing a vocabulary or are difficult to understand, using incomplete or incorrect sentences or gibberish. They may have difficulties with attention, memory, or word retrieval. They may be slow in processing auditory information. There are many technical diagnostic terms for these problems, and some of them can sound terrifying to parents. However, parents must remember that many of these dysfunctions do not mean mental deficiency or emotional distributions.
